

# Rewards Programs for Our Lady of Grace School

All of the programs on this sheet involve clipping and sending in labels from items you likely are shopping for already. Just take a look for any of these labels, clip them out and trim them, then submit to the front office. At the bottom, you will also see that we can submit printer cartridges and small electronics. If you have any questions on any of these programs, please contact Adrienne Rasbach Sharpe at [adrasbach@gmail.com](mailto:adrasbach@gmail.com).

Clip Box Tops from many products you find in your pantry and save them up for the contests each fall and spring between the classes. Make sure you check expiration dates and turn them in before they expire. Our goal this year is to earn \$3500 that will go to PTO programs. For a list of participating products, go to [www.boxtops4education.com](http://www.boxtops4education.com).

Labels for Education are found on numerous Campbell's products. We don't need the whole label – just cut out the entire UPC code with the Labels for Education logo. Send them in any time during the year. A list of participating products is available at [www.labelsforeducation.com](http://www.labelsforeducation.com).

School Spirit labels are found on specially-marked Aunt Millie's, Sunbeam, and Soft 'N Good bread bags. Just clip and send in the UPC code and School Spirit symbol found on the bottom of the bread wrapper. OLG gets a nickel for every label that can be used for any school-oriented program.

My Coke Rewards codes are found on bottle caps or inside the boxes of all Coca-Cola products. Go to [www.mycokerewards.com](http://www.mycokerewards.com) to sign up. You can enter codes at any time and donate your points to OLG. Points last year were used to shop for equipment for Mrs. Geisendorf's PE classes.

Clip Tyson Project A+ labels from Tyson frozen chicken packages and submit all year long. OLG receives 24 cents for each label submitted, and the money is used for PTO programs. Go to <http://projectaplus.tyson.com> for more information.

OLG earns money for recycling ink jet cartridges, laser printer cartridges, and cell phones. Go to [www.fundingfactory.com](http://www.fundingfactory.com) for details along with a list of items that can be submitted for recycling. We have earned thousands of dollars in equipment for our PE department through this program.

These are the easy ones! Everything on this page just involves a quick trip to a web site to register cards that you already use to earn money for OLG. Please take a few minutes to sign up for as many of these as possible. You can ask friends or family members to designate OLG with their cards as well. If you have any trouble finding OLG when searching by school name, try searching by zip code 46060 instead. If you have any questions on any of these programs, please contact Adrienne Rasbach Sharpe at [adrasbach@gmail.com](mailto:adrasbach@gmail.com).
