

STUDENT SERVICE HOURS

Through the example of Christ, we are all called to serve others. Just as Jesus washed the feet of his followers, we are called to wash the feet of our fellow human beings. Students need to begin learning this lesson at a young age. It is best learned through the example of parents, but it is also an important component of a religion class. As a result, we have the following service hour requirement for our middle school students:

- 6th graders are to complete and submit at least 15 hours
- 7th graders are to complete and submit at least 20 hours
- 8th graders are to complete and submit at least 25 hours

GENERAL GUIDELINES

- SERVICE is *anything* done to help someone else (including family) that is not paid or rewarded.
- The event sponsor or supervisor should verify service hours. Parents may also verify hours.
- The religion teacher will maintain service records.
- Service hours must be submitted prior to the Chicago trip for 8th grade or prior to Field Day for 6th and 7th grades.
